HOUSE MAJOR Ltd

Email: gasiqwa.issa123@gmail.com/
housemajorrwnda@gmail.com

Address: Norrsken house, Kigali Town, Nyarugenge District,
Tel: +250788258922

14. Reset password/ account recovering
15. Settings
16. Push notification
17. Embedded calculator
18. Add vehicle and owner details for luggage services
19. Send external message for payment validation

2. Scope of Services

The Developer agrees to deliver the following services:

- Develop a **responsive, cross-platform frontend** for both Android and iOS using technologies that ensure smooth operation on both platforms (such as React Native).
- Implement a **user-friendly interface** for both the above features ensuring clear distinction and functionality.
- Develop and integrate features to support the key features for House rental and sale mobile app including progress tracking, notifications to users and link the House rental and sale mobile app.
- Collaborate with other developers, UI/UX designers, or any other team members when needed.
- Conduct **device testing** on both Android and iOS to ensure the app is fully functional and optimized across different screen sizes and devices.

3.

a. Timeline

The Developer shall commence work on the project on January 12, 2023 and complete the work, subject to agreed-upon milestones. The milestones for the project are as follows:

1. House showroom
2. Realtime status change
3. Map services
4. Settings
5. Profile
6. Distance measurement on map
7. House search and apply filters
8. Proximity distance from a reference point on map
9. Adding house details and photos
10. Communication (call & chat)
11. Payment services
12. Luggage moving

b. Application Publishing and Store Accounts

The mobile application shall be published under the Client's Google Play Store and Apple App Store developer accounts. The Client shall be responsible for creating, maintaining, and paying all fees associated with Apple Developer and Google Play Developer accounts.

The Developer shall assist with application deployment and submission; however, the Developer shall not be responsible for delays, suspensions, or rejections imposed by the app store platforms.

c. Milestones and Acceptance Criteria

The project shall be delivered in agreed-upon milestones. A milestone shall be considered completed once the agreed features are implemented and demonstrated to the Client.

The Client shall review and either approve or provide written feedback within five (5) working days of delivery.

If no feedback is provided within this period, the milestone shall be deemed accepted, and payment shall become due.

d. Change Management

Any modifications, enhancements, or additional features not explicitly included in the agreed scope shall be considered a change request.

All change requests must be documented in writing and approved by both parties before implementation.

Approved changes shall be billed separately and may affect the delivery timeline

4.

a. Payment Terms

The total compensation for the services provided by the Developer will be one hundred fifty thousand Rwandan francs (150 000 Rwf) per month by testing the completed monthly milestones.

Any additional work or changes outside of the agreed scope will be billed at a daily rate of 2 % of the Total Amount.

Payment will be made at his bank account found in **Equity** with Account number: **4002100960637** and Account name: **NGOGA Innocent Patrick**

C. Internet Access and Work Suspension

The Client shall provide the Developer with reliable internet access or internet allowance (30,000 Rwf) necessary for the performance of the services under this Contract which will be deducted from the developer monthly payment.

The internet access or allowance shall be provided before the commencement of development and at the beginning of each month throughout the duration of this Contract.

In the event that the internet access or allowance is not provided on time, the Developer shall have the right to temporarily pause or suspend development activities until such internet access or allowance is fully provided.

Any delays in the project timeline resulting from the failure to provide internet access or allowance shall not be attributed to the Developer and shall result in an automatic extension of the delivery timelines.

b. Payment Delays

Payments shall be made within five (5) working days after milestone acceptance.

The Developer reserves the right to suspend work if payment is delayed beyond seven (7) working days

5. Intellectual Property

Upon full payment of all amounts due under this Contract, all intellectual property rights related to the source code, including frontend, backend, APIs, and databases developed specifically for the House rental and sale mobile application, shall be transferred to the Client.

Until full payment is received, all source code and system components shall remain the exclusive property of the Developer.

The Developer retains the right to reuse general programming knowledge, non-confidential code patterns, and experience gained during the development of the application.

6. Confidentiality

Except for disclosures under client's consent required made to advance the business of the Client and information which is a matter of public record, the developer shall not, during the term of this Agreement or after its termination, disclose any Confidential Information regarding design, idea, knowhow, strategy, drawings, copyright and business secrets for the benefit of the developer or any other person, except with the prior written consent of the Client. Therefore, the developer agrees to maintain confidentiality regarding all information shared by the Client related to House rental and sale mobile app mobile app and its development.

7. Termination

Either party may terminate this Contract by providing **5 days' notice** in writing. In the event of termination, the Client shall compensate the Developer for all work completed up to the date of termination.

8. Warranty

The Developer warrants that the work performed will be of professional quality and will conform to generally accepted industry standards. The Developer will provide **post-launch support** for a period of **30 days** to address any bugs or issues that arise on either Android or iOS platforms.

Any maintenance, feature upgrades, or support required after this period shall be subject to a separate agreement or billed at a mutually agreed rate

Non-Exclusivity

This Contract does not restrict the Developer from providing services to other clients, provided that no confidential information or proprietary materials of the Client are disclosed.

9. Dispute Resolution

Any disputes arising under this Contract shall be resolved in accordance with Rwanda's labor Laws.

10. Governing Law

This Contract shall be governed by and construed in accordance with the laws of Rwanda.

11. Miscellaneous

This Contract constitutes the entire agreement between the parties. Any modifications must be in writing and signed by both parties.

IN WITNESS WHEREOF, the parties here to have executed this Contract as of the day and year first written above.
